ACKNOWLEDGEMENT

We fall short of words to pen down anything for the co-operation and encouragement extended by parents through the completion of this project.

I am grateful to my University, **RAI SCHOOL OF ENGINEERING, RAI UNIVERSITY** for giving me this wonderful opportunity to undertake this training.

I convey my sincere thanks to **Dr. Sailesh Iyer (DEAN, Rai School of Engineering, Rai University)**, **Ms. Poonam Chakravarty (HOD CSE, Rai School of Engineering, Rai University)**, and **(Internal Guide Name)** (My Internal Project Guide) for providing me his time, constructive criticism and valuable guidance. The guidance and support received from all the other faculty members who contributed to this project, was vital for the success of the project. Besides this, I would like to thank all those people who helped me in one or the other way.

We would like to express our very great application to our Internal Guide **(Internal Guide Name)** for her valuable and constructive suggestions during the planning and development of this project. His willingness to give his time so generously has been very much appreciated. Advice given by other academic lectures has been a great help in building the software solution.

We are very thankful to everyone who supported us for this assignment and gives their guidance to complete our theses work effectively and moreover on time.
